SDWP Overview

Consistent with the special terms and conditions for the State's approved 1115 demonstration and the June 2015 guidance issued by the U.S. Centers for Medicare & Medicaid Services (CMS), Tennessee utilizes tiered standards in its Home- and Community-Based Services (HCBS) programs, working to ensure minimum compliance across settings in its Section 1915(c) waivers while closing all new enrollment into these waivers and directing all new HCBS enrollment into the Employment and Community First CHOICES program.

Self Direction

- * Participants enrolled in the SDWP can choose self direction
- The Self-Determination Waiver does not include residential services such as supported living except for Semi-Independent Living services
- SDWP offers three service options:
 - * Personal Assistance
 - Transportation
 - * Respite -- including daily, hourly, and Federal Medical Assistance Percentage (FMAP)

Personal Assistance

- * Designed to assist and individual with a disability to perform daily activities of living
- * May be provided outside of the home if the outcomes are consistent with member's PCSP
- Services that are covered include the following:
 - * Eating, toileting, personal hygiene and grooming
 - * Training to individuals who choose to learn how to provide some of the services

7

Transportation

- * Helps the member get around the community
- * Allow members to engage in typical day-to-day, non-medical activities
- When possible, family, neighbors, co-workers, carpools, or friends are utilized to provide this assistance without charge

Respite

- * Offered as needed for caregiver relief
- * Only applies for routine family or other caregivers that are not paid to support the member
- \star $\,$ Can be up to 216 hours per member per calendar year $\,$

Dignity of Choice

- The right of a person to make an informed decision to engage in experiences which are necessary for personal growth
- The occurrence and reporting of a Reportable Event does not necessarily mean that anyone should have done something differently to prevent the Reportable Event
- SDWP is designed to encourage members to pursue and achieve their goals, which can mean taking informed, reasonable risks

Tier One Events

Tier One events include:

- Alleged emotional or psychological abuse when medical intervention or treatment is necessary
- Alleged exploitation exceeding \$1000
- Alleged neglect which requires medical intervention or treatment and all neglect that is potentially felonious in nature when there is not an injury

33

Other Reportable Events

Other reportable events include:

- * Administration of routine psychotropic medication without consent
- Emergency situations including fire, flooding and serious property damage that result in harm or risk of harm to the member
- Fall with injury minor or major
- Medication variance or omission
- * The member goes missing for greater than one hour

Abuse, Neglect, and Exploitation

Abuse is defined as, "The knowing infliction of injury, unreasonable confinement, intimidation, or

punishment with resulting physical harm, pain, or mental anguish"

Some examples of abuse may be:

- * The member is over-medicated or over-sedated
- * A worker hits the member
- * A worker yells at a member to hurry up or do things differently

Abuse, Neglect, and Exploitation

Neglect is defined as, "A failure to provide goods or services necessary to avoid physical harm, mental anguish, or mental illness, which results in injury or probable risk of serious harm." Some examples of neglect may be:

- * The member becomes dehydrated because a worker is not tending to their basic needs
- * A worker does not keep the member's personal dwelling free from hazards
- * A worker leaves a member with balance problems alone in the bathroom

39

Abuse, Neglect, and Exploitation

Exploitation is defined as, "The deliberate misplacement, misappropriation, or wrongful,

temporary, or permanent use of belongings or money with or without consent."

Some examples of exploitation may be:

- * A worker reads or withholds the member's mail
- A worker has the member make purchases for them and does not repay the member
- $\ast~$ A worker uses their relationship with the member to manipulate items from them,

including jewelry, money, or other valuable personal belongings

Fraud, Waste and Abuse of Medicaid Funds

There are different types of misuse of Medicaid funds that you should be aware of:

- * Fraud is using Medicaid funds to pay for something that is not allowed on purpose
- Waste is overusing, underusing, or misusing funds without knowing
- * Abuse is behavior that results in Medicaid funds being used incorrectly or unnecessarily

The main difference between fraud and abuse is intent. There can be consequences, even if it was not done on purpose, including fines, disenrollment from the program, or jail.
