

Welcome to your Consumer Direct Care Network Tennessee's (CDTN) Person Supported Binder

At CDTN, one of our goals is to ensure you have all you need to be a successful employer. We've created this Member Binder as a tool to help you understand:

- The Self-Direction program.
- Your role in the program.
- The roles of your DIDD Case Manager, and CDTN's Support Broker and Customer Service Staff.

Sometimes your employee may need to see the payroll schedule or CareAttend/EVV Quick Guide. Or you may need to reference the Consumer Direction Handbook or need to know who to call in a specific situation. All that and more is included in this binder! Feel free to add to it any new information you may receive from CDTN.

When will Consumer Direction Services Start?

- When will your worker start working? How will you know?
 - When CDTN has received and processed all the member's paperwork, all the worker(s) paperwork, the worker(s) background check has come back as passed, and FA/CPR certs have been received; CDTN sends notice to the MCO that the member is ready to being services.
- The MCO will then give an authorized date for services to start.
- Your Support Broker will call you and your worker with this start date.
- What's your worker's schedule?
 - You have recommended number hours of care per week based on the Person Centered Support Plan. As the employer, you can determine when your worker works based on your needs and the amount of hours authorized on your plan of care.
- How will your worker be paid?
 - Payroll is bi-weekly, please reference payroll calendar
 - CDTN must have valid authorizations from the MCO and an approved timesheet from the employer in order to pay the worker.
 - Timesheets are completed using CDTN's Electronic Visit Verification technology called CareAttend.

- We have entered CDTN’s address in lines 4a and 4b so that IRS paperwork relating to this program will not be sent to your home – *it will come to us instead.*

EMPLOYEE RIGHTS

UNDER THE FAIR LABOR STANDARDS ACT

FEDERAL MINIMUM WAGE

\$7.25

PER HOUR

BEGINNING JULY 24, 2009

The law requires employers to display this poster where employees can readily see it.

OVERTIME PAY At least 1½ times the regular rate of pay for all hours worked over 40 in a workweek.

CHILD LABOR An employee must be at least 16 years old to work in most non-farm jobs and at least 18 to work in non-farm jobs declared hazardous by the Secretary of Labor. Youths 14 and 15 years old may work outside school hours in various non-manufacturing, non-mining, non-hazardous jobs with certain work hours restrictions. Different rules apply in agricultural employment.

TIP CREDIT Employers of “tipped employees” who meet certain conditions may claim a partial wage credit based on tips received by their employees. Employers must pay tipped employees a cash wage of at least \$2.13 per hour if they claim a tip credit against their minimum wage obligation. If an employee’s tips combined with the employer’s cash wage of at least \$2.13 per hour do not equal the minimum hourly wage, the employer must make up the difference.

PUMP AT WORK The FLSA requires employers to provide reasonable break time for a nursing employee to express breast milk for their nursing child for one year after the child’s birth each time the employee needs to express breast milk. Employers must provide a place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by the employee to express breast milk.

ENFORCEMENT The Department has authority to recover back wages and an equal amount in liquidated damages in instances of minimum wage, overtime, and other violations. The Department may litigate and/or recommend criminal prosecution. Employers may be assessed civil money penalties for each willful or repeated violation of the minimum wage or overtime pay provisions of the law. Civil money penalties may also be assessed for violations of the FLSA’s child labor provisions. Heightened civil money penalties may be assessed for each child labor violation that results in the death or serious injury of any minor employee, and such assessments may be doubled when the violations are determined to be willful or repeated. The law also prohibits retaliating against or discharging workers who file a complaint or participate in any proceeding under the FLSA.

ADDITIONAL INFORMATION

- Certain occupations and establishments are exempt from the minimum wage, and/or overtime pay provisions. Certain narrow exemptions also apply to the pump at work requirements.
- Special provisions apply to workers in American Samoa, the Commonwealth of the Northern Mariana Islands, and the Commonwealth of Puerto Rico.
- Some state laws provide greater employee protections; employers must comply with both.
- Some employers incorrectly classify workers as “independent contractors” when they are actually employees under the FLSA. It is important to know the difference between the two because employees (unless exempt) are entitled to the FLSA’s minimum wage and overtime pay protections and correctly classified independent contractors are not.
- Certain full-time students, student learners, apprentices, and workers with disabilities may be paid less than the minimum wage under special certificates issued by the Department of Labor.

DERECHOS DE LOS TRABAJADORES

BAJO LA LEY DE NORMAS JUSTAS DE TRABAJO (FLSA—siglas en inglés)

SALARIO MÍNIMO FEDERAL

\$7.25

POR HORA

A PARTIR DEL 24 DE JULIO DE 2009

La ley exige que los empleadores exhiban este cartel donde sea visible por los empleados.

PAGO POR SOBRETIENTO

Por lo menos tiempo y medio (1½) de la tasa regular de pago por todas las horas trabajadas en exceso de 40 en una semana laboral.

TRABAJO DE MENORES DE EDAD

El empleado tiene que tener por lo menos 16 años para trabajar en la mayoría de los trabajos no agrícolas y por lo menos 18 años para trabajar en los trabajos no agrícolas declarados peligrosos por la Secretaría de Trabajo. Los menores de 14 y 15 años pueden trabajar fuera del horario escolar en varias ocupaciones que no sean de manufactura, de minería, y que no sean peligrosas con ciertas restricciones al horario de trabajo. Se aplican distintos reglamentos al empleo agrícola.

CRÉDITO POR PROPINAS

Los empleadores de “empleados que reciben propinas” que cumplan con ciertas condiciones, pueden reclamar un crédito de salario parcial basado en las propinas recibidas por sus empleados. Los empleadores les tienen que pagar a los empleados que reciben propinas un salario en efectivo de por lo menos \$2.13 por hora si ellos reclaman un crédito de propinas contra su obligación de pagar el salario mínimo. Si las propinas recibidas por el empleado combinadas con el salario en efectivo de por lo menos \$2.13 por hora del empleador no equivalen al salario mínimo por hora, el empleador tiene que compensar la diferencia.

MADRES LACTANTES

La FLSA exige que los empleadores le proporcionen un tiempo de descanso razonable a la empleada que sea madre lactante y que esté sujeta a los requisitos de sobretiempo de la FLSA, para que la empleada se extraiga leche manualmente para su niño lactante por un año después del nacimiento del niño, cada vez que dicha empleada tenga la necesidad de extraerse leche. A los empleadores también se les exige que proporcionen un lugar, que no sea un baño, protegido de la vista de los demás y libre de la intrusión de los compañeros de trabajo y del público, el cual pueda ser utilizado por la empleada para extraerse leche.

CUMPLIMIENTO

El Departamento tiene la autoridad de recuperar salarios retroactivos y una cantidad igual en daños y perjuicios en casos de incumplimientos con el salario mínimo, sobretiempo y otros incumplimientos. El Departamento puede litigar y/o recomendar un enjuiciamiento criminal. A los empleadores se les pueden imponer sanciones pecuniarias civiles por cada incumplimiento deliberado o repetido de las disposiciones de la ley del pago del salario mínimo o de sobretiempo. También se pueden imponer sanciones pecuniarias civiles por incumplimiento con las disposiciones de la FLSA sobre el trabajo de menores de edad. Además, se pueden imponer sanciones pecuniarias civiles incrementadas por cada incumplimiento con el trabajo de menores que resulte en la muerte o una lesión seria de un empleado menor de edad, y tales evaluaciones pueden duplicarse cuando se determina que los incumplimientos fueron deliberados o repetidos. La ley también prohíbe tomar represalias o despedir a los trabajadores que presenten una queja o que participen en cualquier proceso bajo la FLSA.

INFORMACIÓN ADICIONAL

- Ciertas ocupaciones y ciertos establecimientos están exentos de las disposiciones del salario mínimo, y/o de las disposiciones del pago de sobretiempo.
- Se aplican disposiciones especiales a trabajadores de Samoa Americana, del Estado Libre Asociado de las Islas Marianas del Norte y del Estado Libre Asociado de Puerto Rico.
- Algunas leyes estatales proporcionan protecciones más amplias a los trabajadores; los empleadores tienen que cumplir con ambas.
- Algunos empleadores clasifican incorrectamente a sus trabajadores como “contratistas independientes” cuando en realidad son empleados según la FLSA. Es importante conocer la diferencia entre los dos porque los empleados (a menos que estén exentos) tienen derecho a las protecciones del salario mínimo y del pago de sobretiempo bajo la FLSA y los contratistas correctamente clasificados como independientes no lo tienen.
- A ciertos estudiantes de tiempo completo, estudiantes alumnos, aprendices, y trabajadores con discapacidades se les puede pagar menos que el salario mínimo bajo certificados especiales expedidos por el Departamento de Trabajo.

EMPLOYEE RIGHTS

FOR WORKERS WITH DISABILITIES PAID AT SUBMINIMUM WAGES

This establishment has a certificate authorizing the payment of subminimum wages to workers who are disabled for the work they are performing. Authority to pay subminimum wages to workers with disabilities generally applies to work covered by the **Fair Labor Standards Act (FLSA)**, **McNamara-O'Hara Service Contract Act (SCA)**, and/or **Walsh-Healey Public Contracts Act (PCA)**. Such subminimum wages are referred to as "commensurate wage rates" and are less than the basic hourly rates stated in an SCA wage determination and/or less than the FLSA minimum wage of **\$7.25 per hour**. A "commensurate wage rate" is based on the worker's individual productivity, no matter how limited, in proportion to the wage and productivity of experienced workers who do not have disabilities that impact their productivity when performing essentially the same type, quality, and quantity of work in the geographic area from which the labor force of the community is drawn.

Employers shall make this poster available and display it where employees and the parents and guardians of workers with disabilities can readily see it.

WORKERS WITH DISABILITIES

Subminimum wages under section 14(c) are not applicable unless a worker's disability actually impairs the worker's earning or productive capacity for the work being performed. The fact that a worker may have a disability is not in and of itself sufficient to warrant the payment of a subminimum wage.

For purposes of payment of commensurate wage rates under a certificate, a worker with a disability is defined as: An individual whose earnings or productive capacity is impaired by a physical or mental disability, including those related to age or injury, for the work to be performed.

Disabilities which may affect productive capacity include an intellectual or developmental disability, psychiatric disability, a hearing or visual impairment, and certain other impairments. The following do not ordinarily affect productive capacity for purposes of paying commensurate wage rates: educational disabilities; chronic unemployment; receipt of welfare benefits; nonattendance at school; juvenile delinquency; and correctional parole or probation.

WORKER NOTIFICATION

Each worker with a disability and, where appropriate, the parent or guardian of such worker, shall be informed orally and in writing by the employer of the terms of the certificate under which such worker is employed.

KEY ELEMENTS OF COMMENSURATE WAGE RATES

- **Nondisabled worker standard**—The objective gauge (usually a time study of the production of workers who do not have disabilities that impair their productivity for the job) against which the productivity of a worker with a disability is measured.
- **Prevailing wage rate**—The wage paid to experienced workers who do not have disabilities that impair their productivity for the same or similar work and who are performing such work in the area. Most SCA contracts include a wage determination specifying the prevailing wage rates to be paid for SCA-covered work.
- **Evaluation of the productivity of the worker with a disability**—Documented measurement of the production of the worker with a disability (in terms of quantity and quality).

The wages of all workers paid commensurate wages must be reviewed, and adjusted if appropriate, at periodic intervals. At a minimum, the productivity of hourly-paid workers must be reevaluated at least every six months and a new prevailing wage survey must be conducted at least once every twelve months. In addition, prevailing wages must be reviewed, and adjusted as appropriate, whenever there is a change in the job or a change in the prevailing wage rate, such as when the applicable state or federal minimum wage is increased.

WIOA

The Workforce Innovation and Opportunity Act of 2014 (WIOA) amended the Rehabilitation Act by adding section 511, which places limitations on the payment of subminimum wages to individuals with disabilities by mandating the completion of certain requirements prior to and during the payment of a subminimum wage.

EXECUTIVE ORDER 13658

Executive Order 13658, Establishing a Minimum Wage for Contractors, established a minimum wage that generally must be paid to workers performing on or in connection with a covered contract with the Federal Government. Workers covered by this Executive Order and due the full Executive Order minimum wage include workers with disabilities whose wages are calculated pursuant to certificates issued under section 14(c) of the FLSA.

FRINGE BENEFITS

Neither the FLSA nor the PCA have provisions requiring vacation, holiday, or sick pay nor other fringe benefits such as health insurance or pension plans. SCA wage determinations may require such fringe benefit payments (or a cash equivalent). Workers paid under a certificate authorizing commensurate wage rates must receive the full fringe benefits listed on the SCA wage determination.

OVERTIME

Generally, if a worker is performing work subject to the FLSA, SCA, and/or PCA, that worker must be paid at least 1 1/2 times their regular rate of pay for all hours worked over 40 in a workweek.

CHILD LABOR

Minors younger than 18 years of age must be employed in accordance with the child labor provisions of the FLSA. No persons under 16 years of age may be employed in manufacturing or on a PCA contract.

PETITION PROCESS

Workers with disabilities paid at subminimum wages may petition the Administrator of the Wage and Hour Division of the Department of Labor for a review of their wage rates by an Administrative Law Judge. No particular form of petition is required, except that it must be signed by the worker with a disability or his or her parent or guardian and should contain the name and address of the employer. Petitions should be mailed to: Administrator, Wage and Hour Division, U.S. Department of Labor, Room S-3502, 200 Constitution Avenue NW, Washington, D.C. 20210.

DERECHOS DE EMPLEADOS

PARA TRABAJADORES CON DISCAPACIDADES QUE PERCIBEN UN SALARIO INFERIOR AL MÍNIMO

Este establecimiento cuenta con un certificado que autoriza el pago de salarios inferiores al mínimo a trabajadores discapacitados por el trabajo que realizan. La autorización para pagar salarios inferiores al mínimo a trabajadores con discapacidades por lo general se aplica a trabajo regido por la **Ley de Normas Justas de Trabajo** (FLSA, por sus siglas en inglés), la **Ley de Contratos por Servicios McNamara-O'Hara** (SCA, por sus siglas en inglés) y/o por la **Ley Walsh-Healey Sobre Contratos Públicos** (PCA, por sus siglas en inglés). Tales salarios inferiores al mínimo se conocen como "tasas salariales conmensurables" y son inferiores a las tasas básicas por hora establecidas en la determinación de salarios de la SCA y/o inferiores al salario mínimo de \$7.25 por hora según la FLSA. Una "tasa salarial conmensurable" se basa en la productividad individual del trabajador, no importa cuán limitada sea, en proporción al salario y a la productividad de los trabajadores experimentados que no tienen discapacidades que impactan su productividad cuando realizan esencialmente el mismo tipo, calidad y cantidad de trabajo en el área geográfica de la que proviene la fuerza laboral de la comunidad.

Los empleadores deben hacer disponible y exhibir este cartel en un lugar donde los empleados y los padres y tutores de los trabajadores con discapacidades lo puedan ver claramente.

TRABAJADORES CON DISCAPACIDADES

Los salarios inferiores al salario mínimo según la sección 14(c) no se aplican a menos que la discapacidad del trabajador realmente perjudique sus ingresos o su capacidad productiva para el trabajo que realiza. El hecho de que el trabajador pueda tener una discapacidad no es en sí suficiente para justificar el pago de un salario inferior al mínimo.

Para efectos de las tasas salariales conmensurables según un certificado, un trabajador con una discapacidad se define como: Una persona cuyos ingresos o capacidad productiva se ve afectada por una discapacidad física o mental, incluidas aquellas relacionadas con la edad o las lesiones, para que se realice el trabajo.

Las discapacidades que pueden afectar la capacidad productiva incluyen una discapacidad intelectual o de desarrollo, una discapacidad psiquiátrica, una discapacidad auditiva o visual, y algunas otras discapacidades. Lo siguiente normalmente no afecta la capacidad productiva con el propósito de pagar tasas de salarios conmensurables: discapacidades educativas, desempleo crónico, recibo de beneficios sociales, falta de asistencia a la escuela, delincuencia juvenil y libertad condicional o bajo palabra.

NOTIFICACIÓN AL TRABAJADOR

El empleador debe informar oralmente y por escrito a cada trabajador con una discapacidad y, cuando corresponda, al padre o tutor de dicho trabajador, sobre los términos del certificado según el cual dicho trabajador está empleado.

ELEMENTOS CLAVES DE LAS TASAS DE SALARIO CONMENSURABLE

- **Norma de trabajadores no discapacitados**—El indicador objetivo (generalmente un estudio del tiempo de la producción de trabajadores que no tienen discapacidades que perjudiquen su productividad para el trabajo) contra el cual se mide la productividad de un trabajador con una discapacidad.
- **Tasa de salario prevaleciente**—El salario que se paga a trabajadores experimentados que no tienen discapacidades que perjudiquen su productividad por el mismo trabajo o trabajo similar y que realizan tal trabajo en el área. La mayor parte de los contratos SCA incluye una determinación de salario que especifica las tasas del salario prevaleciente que se tiene que pagar por el trabajo sujeto a SCA.
- **Evaluación de la productividad del trabajador con una discapacidad**—Medida documentada de la producción del trabajador con discapacidad (en términos de cantidad y calidad).

Los salarios de todos los trabajadores que perciben salarios conmensurables tienen que ser revisados, y ajustados si corresponde, en intervalos periódicos. Como mínimo, la productividad de los trabajadores asalariados por hora tiene que reevaluarse al menos cada seis meses y tiene que realizarse un estudio nuevo de salarios prevalecientes al menos una vez cada doce meses. Además, se tienen que revisar, y ajustar según corresponda, los salarios prevalecientes siempre que haya un cambio en el trabajo o en la tasa del salario prevaleciente, tal como cuando se incrementa el salario mínimo aplicable estatal o federal.

WIOA

La Ley de Innovación y Oportunidades Laborales de 2014 (WIOA, por sus siglas en inglés) enmendó la Ley de Rehabilitación al agregar la sección 511, la cual impone limitaciones en el pago de salarios inferiores a los mínimos a las personas con discapacidades al exigir el cumplimiento de ciertos requisitos antes y durante el pago de un salario inferior al mínimo.

ORDEN EJECUTIVA 13658

La Orden Ejecutiva 13658, que establece un salario mínimo para contratistas, estableció un salario mínimo que generalmente tiene que pagarse a los trabajadores que cumplen un contrato o en conexión con un contrato sujeto al Gobierno Federal. Los trabajadores sujetos a esta Orden Ejecutiva y a los que se les debe el salario mínimo completo de la Orden Ejecutiva incluyen a los trabajadores con discapacidades cuyos salarios se calculan conforme a los certificados emitidos según la sección 14(c) de la FLSA.

BENEFICIOS COMPLEMENTARIOS

Ni la FLSA ni la PCA tienen disposiciones que requieran vacaciones, días festivos, o paga por enfermedad, ni otros beneficios complementarios como seguro de salud o planes de pensión. Las determinaciones de salario de SCA pueden requerir pagos de dicho beneficio complementario (o un equivalente en efectivo). Los trabajadores a los cuales se les paga según un certificado que autoriza tasas salariales conmensurables tienen que recibir enteramente los beneficios complementarios adicionales enumerados en la determinación de salario de SCA.

SOBRETIEMPO

En general, si un trabajador se encuentra realizando un trabajo sujeto a la FLSA, SCA y/o PCA, se le tiene que pagar a ese trabajador tiempo y medio, es decir, 1 1/2 de su tasa regular de pago por todas las horas trabajadas después de las 40 horas en una semana laboral.

TRABAJO DE MENORES DE EDAD

Los menores de edad de menos de 18 años tienen que ser empleados de acuerdo con las disposiciones federales para el trabajo de menores de edad de la FLSA. Ninguna persona menor de 16 años de edad puede ser empleada en la manufactura o en un contrato de la PCA.

PROCESO DE SOLICITUD

Los trabajadores con discapacidades a los que se les paga salarios inferiores al salario mínimo pueden solicitarle al Administrador de la División de Horas y Salarios del Departamento de Trabajo que un Juez de Derecho Administrativo haga una revisión de las tasas de sus salarios. No se requiere ningún formulario particular de solicitud, excepto que tiene que ser firmado por el trabajador con una discapacidad o su padre o tutor y tiene que contener el nombre y la dirección del empleador. Las solicitudes se pueden enviar por correo a: Administrator, Wage and Hour Division, U.S. Department of Labor, Room S-3502, 200 Constitution Avenue NW, Washington, DC 20210.
